

We take care of everything

Luise Group provides a wide range of services to our customers in a timely and efficient manner. This is accomplished thanks to our highly professional and competent personnel, our comprehensive knowledge of Italy and last, but certainly not least, our commitment to offer to our clients the most competitive prices. Luise Group most importantly offers complete and all-encompassing assistance, 24 hours a day, 7 days a week. We are willing to provide a courteous and efficient service and we are proud to say that an ever growing

number of clients rely on our services each year. We never lose sight of our main goal, our mission which drives us every single day, to provide an attentive customer service in a professional and efficient manner at fair price. Although based in Naples, Luise Group's area of operation extends beyond its Neapolitan basin at Marina Molo Luise. In addition to serving the nearby tourist ports of Capri, Ischia, Stabia, Amalfi and Sorrento, we provide support to superyachts along the entire Italian coastline.

Naples is the where the heart of the Company reside. Being based here since 1847, far to boast ourself up, our local knowledge is truly second to none. Local relationships (based on mutual trust and professionalism) with the most VIP restaurants owners, marinas and providers

in general are a really valuable plus. Furthermore, a part from agency, here in Naples bay we also directly manage several facilities, such as Marina Molo Luise in Naples, Stabia Main Port in the heart of Castellammare town and Ischia Main Port/Ischia Casamicciola as well!

Luise Rome is a modern organization built on the heritage of five generations of family experience in yachting. Luise Rome is proud to provide a comprehensive set of services for its clients, ensuring that every

detail is cared for with efficiency and expert handling. Here we also manage several berth spots in the very well know Porto Turistico di Roma, the closest marina to the Italian Capital City.

Sicily has so much to offer that it never fails to meet the expectations of those who visit it for the first time or those who return to it because already charmed. Our special events department has developed and grown over years of

exploration, both of the land and the guests we have welcomed since 2005. Actually we also manage a truly smooth and clean facility close to Catania airport: Marina di Riposto... more info down below!

Since the Seventies, Sardinia has been very popular as a yachting destination, thanks to the mesmerizing turquoise water nestled in a jagged coastline, becoming a universal symbol of a dreamy vacation: since 2001, Luise Sardinia, also known as Sardinia Yacht Services, is the compass chosen by many yachts to discover the

hidden gems of this beautiful island. Aimed at serving the needs of Mega Yachts in the most professional manner possible, the SYS team can provide vessels with a wide range of services, including facilities in Olbia and Cagliari and a Gourmet shop dedicated specifically to the yachts' chef

The heart of Puglia is made up of long jagged coastline and of rocky skylines sketched onto the horizon. Venture along a trail through the gravine (ravines) and into the countryside, this destination is recommended for those customers who wants to experience something different

from the usual yachting hotspots... in Brindisi we also manage another dockage, a brand new facility, tailor made for yachting. On the other hand, Calabria region is a suitable area for technical stops for bunkering and such...

Luise Yachting Adriatic, based in Venice, Italy, operates throughout the entire Adriatic Sea. Full area of coverage extends along the Italian coastline. Using the

experience and expertise of its partners, the company was formed to provide a complete range of high-end services to the entire yachting community.

The biggest port in the central Adriatic and our main office for the area. Ancona is the point of reference for the ports in the central Adriatic, from this main office we

can cover various ports like Ravenna, Rimini, Pesaro, Fano, Ancona, San Benedetto del Tronto, Pescara, Ortona, Termoli.

Luise Tuscany is the newest addition to Luise Group; its main office is based in Viareggio, but the team's assistance covers the whole coast! Tuscany is all year-round destination: shipyard towns, like Viareggio and Livorno, are perfect for wintering, while Elba island

and Mount Argentario's coves and crystal-clear waters are the ultimate summer bliss. Luise Tuscany provides a broad variety of services: formalities, bunkering, provisioning and conciergerie assistance, such as VIP transfers, exclusive experiences and tailor-made tours.

Luise Riviera, a brand new office based in Sanremo and Portofino supported by the knowledge and the know-how of the

leader of the yachting industry in the Med since 1847.

Luise Yachting Argentario, former Palombo agency of Palombo Fabrizio & C. that founded it in 1976 and now partner of Luise Group, is located in the beautiful town of Porto Santo Stefano, one of the little gems belonging to Argentario Mount. The mission of the agency is to deliver unparalleled luxury and reliability in yachting and shipping services. It provides

comprehensive assistance such as yacht management, custom assistance, logistics & shipping, fuel, provisioning, conciergerie, vip transfers and tailored made experiences for the high-profile clientele. The team is able to assist throughout the territory including Porto Ercole, Marina di Grosseto, Punta Ala and Scarlino, Giglio Island and Giannutri.

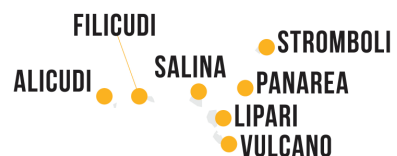

Ponza is the largest of the Italian Pontine Islands archipelago, located 33 km (21 nm) south of Cape Circeo in the Tyrrhenian Sea. Over the years, it has become a holiday destination for people from all around the world thanks to its history and natural beauty. The island is famous for its Blue Grottoes, which were created by the Etruscans.

When you arrive for vacation, the last thing you want to worry about is the practical details of your stay. Capri Yacht Services offers a full-service assistance program that covers all aspects of your cruise. But experience tells us that unexpected problems can arise. Whatever the conflict no matter how small or large, you can count on us 24 hours a day to find a solution.

The Aeolian archipelago consists of seven islands situated along Sicily's north-east coast. They are all of volcanic origin; signs of the volcanic activity being, besides the active volcano of Stromboli and the fumaroles of the island of Vulcano, the underwater hot water springs and the natural mud pool.
